Empowering Tomorrow's Leaders Today

About Us

Positioned for Excellence is more than a program—it's a movement. We equip students with confidence, character, critical thinking, and leadership skills through hands-on learning that prepares them for lifelong success.

Our Core Pillars

Leadership Development – Lead with vision, integrity, and courage

Innovation & Technology – Robotics, coding, and tech-based learning

Career Aspiration – Explore real-world careers and future goals

Social Impact – Inspire service and meaningful community contributions

Our programming is hands-on, relevant, and grounded in excellence.

Vision for Growth

Positioned for Excellence is expanding from seasonal programs into a full-time leadership academy. Grounded in the values of *The Dream Chasers Club* by Dr. Gabrielle E. James, we are committed to developing confident, purpose-driven leaders who make a lasting impact in their communities.
